Our Purpose

As a Parent Teacher Association (PTA), we are on a mission to enrich the educational experience for all pupils, making our school a better place for children to learn and thrive.

Our aim is to foster a strong sense of community support by bringing together parents, teachers and children to strengthen the school community.

All money raised will go back to the school, and the wellbeing of the children.

Our Goals

The PTA has set a modest and achievable target of £5,000 to be raised in fiscal year 2023/2024, to support the following improvements:

- KS2 Sports and Play Equipment (Year 5 project)
- Year R outdoor creative play space & mud kitchen area
- Reading Books for all years
- New school furniture & storage

We can only achieve this through parent & carer engagement and support of PTA events.
